कौमार आचरेत्प्राज्ञो धर्मान् भगवतानिह ॥ ७.६.१ ॥

One who is sufficiently intelligent should use the human form of body from the tender age of childhood to practice the activities of devotional service, giving up all other engagements.

Based on the teachings of  
His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,  
Founder Acharya of The International Society for Krishna Consciousness

Hindi, Retd PNB, Student Care  
Dept VVG

The old system of gurukula should be revived as the perfect example of a system designed to produce great men, sober and responsible leaders, who know what is the real welfare of the citizens. Just as in former days, all big big personalities were trained in this way. Now you have got the responsibility to inject this idea in your country. Please do it with a cool head, and very soon we shall see the practical benefit for your countrymen.

*HDG Srila Prabhupada's Letter to  
Satsvarupa  
Delhi 21<sup>st</sup> November 1971*
